## 2.0

### **Qualifying Requirements**

#### 2.1

##### **PQR-1**

The bidder who have designed, manufactured, supplied, erected, successfully tested and commissioned at least one number of Crawler Mounted Spreader of equal or higher theoretical capacity than 11000 TPH and are in successful operation for at least 5 years shall be eligible to participate.

##### **PQR-2**

A bidder who does not meet the above qualifying requirement, can also participate if he can furnish satisfactory evidence that he has a valid collaboration agreement with collaborator(s) so as to fully meet the qualifying requirement (singly or jointly i.e the collaborator(s) by themselves or along with the bidder) stipulated as in PQR-1 above provided the bidder shall furnish an undertaking jointly executed by him and his collaborator(s) to guarantee the standards of performance of the equipment as detailed in the tender specification.

In the case of bidders participating with a collaboration agreement as above, such agreement shall be in force and shall be further valid at least up to the completion of the proposed contract.

##### **PQR-3**

The bidder who does not meet the above qualifying requirement, can also participate along with an associate, if the associate is the Parent/Principal/ group company of the bidder (who fully meets the qualifying requirements singly or jointly i.e the associate by themselves or along with the bidder, stipulated as in PQR-1 as above). However, in such cases, the bidder and his associate shall

furnish a joint deed of undertaking to guarantee for the standards of performance of the equipment as detailed in the tender specification.

**PQR- 4**

The successful bidder meeting the qualifying requirements with Collaborator/associate as the case maybe, shall furnish a Contract Performance Guarantee in the form of an on demand Bank Guarantee for the faithful performance of the Contract for a value of 10% of the total contract price after the award of LOA. In addition the Collaborator(s)/ associate shall each furnish a backup Bank Guarantee for 5% of the respective portion of work.

**PQR- 5**

Average annual turnover of the bidder, combined average annual turnover of their collaborator(s)/ associate/ consortium member(s) as the case maybe in the preceding three consecutive financial years as on the original scheduled date of tender opening, shall not be less than Rs 38 Crores. The bidder and their collaborator(s)/ associate should have positive networth as per latest audited financial statements. Copy of audited annual financial reports/balance sheets certified by chartered accountant for the period indicated above shall be produced.

**PQR- 6 (Electrical)**

- 1.1. The electricals shall be got done through an electrical manufacturer who has designed, manufactured, supplied erected, tested and commissioned the complete electricals of **I No. machine** as specified in PQR -1 above and furnish documentary evidence.
- 1.2. Alternatively, electricals should be got done through a company belonging to a group of companies wherein one of their group companies meet the above requirement. In such an event, a backup guarantee for design, engineering supply and performance of the complete electricals from the company concerned shall be furnished along with the bid

**2.2 Note:**

- 2.2.1 The bidder shall have established quality assurance systems and organization designed to achieve high levels of equipment reliability during manufacture. In case of bidders participating with a collaboration agreement, they shall have an agreement with the collaborator (s)/ associate as the case maybe to ensure proper implementation of the same during manufacture and erection with checks by the collaborator (s)/ associate for its adequacy.
- 2.2.2 The bidders who have already supplied such equipment in the past to NLC will be qualified based on the performance records available with NLC. However the bidder shall indicate in the bid the details of such equipment supplied to NLC.
- 2.2.3 Bids which are submitted without proper documentary evidence to substantiate fulfillment of the qualifying requirements as specified, are likely to be rejected without assigning any reasons.
- 2.2.4 Notwithstanding anything stated above, the purchaser reserves the right to assess the bidder's capacity and capability to perform the contract, should the circumstances warrant such an assessment in the overall interest of the purchaser.

- 2.2.5 The bidder shall furnish the name of the probable electrical manufacturers who are satisfying the electrical PQR

### 3.0 SCOPE OF WORK
