Dear Sir / Madam,

Subject: Expression of Interest (Eol) for technology tie-up for Unitized Wellhead.

Bharat Heavy Electricals Limited (BHEL) is a leading state-owned company, wherein Government of India is holding 63.17% of its equity. BHEL is an integrated power plant equipment manufacturer and one of the largest engineering and manufacturing organization in India, catering to the core infrastructure sectors of Indian economy viz. energy, transportation, heavy engineering industry, defense, renewable and non-conventional energy.

BHEL is seeking a technology partner for Unitized Wellhead under a long-term Licensing and Technology Collaboration Agreement. In this regard, BHEL has floated an Expression of Interest (Eol) seeking response from prospective collaborators who are meeting the requirements of the Eol and are willing to be associated with BHEL through a License & Technology Collaboration Agreement (TCA).

We have uploaded the Eol at BHEL's website and it can be accessed using the link below:

We solicit your kind support to advise commercial section of your High Commission/Embassy to publicise our Eol document among technology owners for Unitized Wellhead.

Thanking you,

Yours sincerely,

R. Sharma
