4. Minister of trade and industry of India leads the Indian delegation at the St. Petersburg international economic forum :

In Continuation of the visit of the prime minister of India to Sochi (RF) to participate in the informal summit with the president of the Russian Federation on 21 May 2018, the minister of trade and industry of India led the Indian delegation at the international economic forum 24 and 25 May 2018. The visit was very successful: the minister met with five Russian ministers and several leading businessmen in such industries as railways, media, fertilizer and startups. During the meetings, both sides commended and noted the fact that trade between India and Russia has increased significantly, but is not yet up to its potential. The General Focus of interviews was on the establishment and implementation of a plan to expand

India-Russian trade and economic cooperation.
