

INVITATION TO RUSSIAN RAILWAY COMPANIES

The Embassy of the Republic of India invites Russian Companies to participate in running passenger trains over 109 tracks in India, through introduction of 151 modern trains.

The scope of the project broadly includes designing, engineering, procurement, financing, operation and maintenance of passenger trains, either with distributed power or through powerheads, comprising a minimum of 16 coaches (the “Trains”) for introduction of train services over 109 origin destination pairs by introducing 151 Trains. The 109 OD Pairs have been formed into 12 Clusters (Projects) across the Indian Railway network.

The RFQ documents, Feasibility Report, Draft Concession Agreement for the projects are available for downloading from website <https://eprocure.gov.in/eprocure/app>.

The Application Due Date was 8 September 2020.

The Application Due date has now been extended to 07 October 2020.
