

## **Advisory For Indian Students Who Intend To Pursue Medical Education In Russia**

Indian students seeking admission in Medical programme in Russian Universities are advised to familiarize themselves with the latest advisory of National Medical Commission (NMC) of India.

2. NMC has issued an advisory on May 19, 2025 titled, “Rules to be followed for the students who intend to pursue medical education in foreign countries”.

3. Indian Students desirous of obtaining admission in Medical programme in Russia may read advisory at the following link for more details (Sl. No. 3 & 4 of NMC’s advisory):  
<https://www.nmc.org.in/MCIRest/open/getDocument?path=/Documents/Public/Portal/LatestNews/Advisory%202.pdf>

4. Students are advised to check whether the university follows the required pre-requisites directly from the university before taking admission.
