Advisory for Indian students in Russia

Unfortunate incidents of drowning of Indian students in Russia are taking place from time to time. In such incidents this year so far, four Indian students have lost their lives. In the year 2023 there were two incidents and in 2022, there were six cases of death of Indian students by drowning.

2. The Embassy, therefore, urges Indian students in Russia to be extremely careful while going to beaches, rivers, lakes, ponds and other water bodies. Students are advised to take all necessary precautions and safety measures in this regard.
