“ This vision of India – turning crisis into opportunity – is going to prove equally effective for our resolve to build a self-reliant India. ”

Prime Minister
Shri Narendra Modi

COVID-19: Impact

Ministry Of External Affairs
Government Of India

ECONOMIC
DIPLOMACY
& STATES
DIVISION

The COVID-19 Pandemic has claimed over 320,000 lives (beginning of December 2019 and May 19, 2020) and has infected more than **4.9 million** people in 180 countries. During this time, India has reported more than **100,000 COVID-19** cases and over **3,000 casualties**.

- First detected in China in Nov 2019, COVID-19 has spread rapidly, bringing the world to a halt
- Total reported cases at **+4.9 million**, total casualty at $\approx 320,000$, total recovery at $+1.9$ million
- Around 10 COVID-19 vaccines are various stages of testing and development

- **COVID-19 has disrupted human/goods traffic, likely to cost the global economy US\$8.8 trillion**
- **India is working on vaccines, plasma therapy, drug therapeutics, medical devices for COVID-19**
- **India has supplied essential medicines to over **123 countries** and set up a SAARC COVID-19 fund**
- **India is partnering globally on COVID-19 R&D, medical supplies including trade of key commodities, exchange of information**

Measures Taken: India

Ministry Of External Affairs
Government Of India

Health Related Steps taken so far for COVID containment

Announced measures amounting to ₹150 billion

- 0 Released to states – ₹41.1 billion
- 0 Essential items – ₹37.5 billion
- 0 Testing labs and kits – ₹5.5 billion
- 0 Insurance cover of ₹5 million per person for health professionals

Leveraging IT

- 0 Roll out of **e-Sanjeevani** Tele-Consultation Services
- 0 Capacity Building: Virtual learning modules – iGOT platform
- 0 Arogya Setu: Self assessment and contact tracing

Protection to Health Workers

- 0 Amendment in Epidemic Diseases Act
- 0 Adequate provision for PPEs
- 0 From zero to > 300 domestic manufacturers
- 0 PPEs (5.1 million), N95 masks (8.7 million) HCQ tablets (110 million)

Preparing India for future Pandemics

- 0 Infectious Disease hospital blocks envisaged in all districts
- 0 Strengthening lab networks
- 0 Encouraging Research
- 0 Implementation of National Digital Health Mission

₹20 trillion reforms to attract investments

Ministry Of External Affairs
Government Of India

Equivalent to around 10% of India's GDP, **₹20 trillion (~US\$265 billion)** has been budgeted helping make India an ideal destination for trade and investment

- Land, Labor, Liquidity, Laws, amongst other reforms
- These reforms to strengthen the cottage industries and MSMEs that employ millions of Indians - the foundation of a consumer economy.
- Strong focus on key sectors including **Agriculture, Health, Education and FDI**
- The package aims to empower labourers and farmers, who have been working even amid the COVID-19 crisis

- **Demand side push:** This package to help improve the economic strength of India's middle class
- Intention of boosting global socio-economic leadership by facilitating business and start-ups
- The package seeks to create **improved opportunities for foreign traders and investors**
- The proactive measures assert the **Government's commitment** towards delivering economic prosperity in uncertain times.

These timely measures also show how India is being predicted to emerge as an exception while the world slips into an economic recession due to the pandemic.

Human-centric Globalisation

Ministry Of External Affairs
Government Of India

The idea of 'self-reliance' has evolved with respect to the ongoing debate of Human-centric Globalisation against Economy-centric Globalisation. Herein, India's fundamental thinking provides a ray of hope to the world. Our country does not advocate self-centric arrangements when it comes to self-reliance. India's self-reliance is ingrained in the happiness, cooperation and peace of the world.

- PM Modi

A self-reliant India will stand on 5 Pillars.

- **Economy** that brings Quantum Jump rather than Incremental change
- **Infrastructure** that asserts the identity of a prosperous modern India
- System, driven by **technology**, to fulfill the dreams of the 21st century
- **Demography** of the democracy is source of energy for self-reliance
- **Demand** strengthening by empowering the demand-supply ecosystem

Focus on credit provision, infrastructure, access to market, skill development, and to produce job creators

- EPF contribution reduced for Business & Workers for 3 months - ₹67.5 billion

For more information: [Link](#)

Liquidity Enhancement: Measures by RBI

Ministry Of External Affairs
Government Of India

- Reduction of Cash Reserve Ratio (CRR) has resulted in liquidity enhancement of **₹1.4 trillion**
- Targeted Long Term Repo Operations (TLTROs) of ₹1 trillion for fresh deployment in investment grade corporate bonds, commercial paper, and non-convertible debentures
- TLTRO of **₹500 billion** for investment in investment grade bonds, commercial paper, and non-convertible debentures of NBFCs, and MFIs
- Increased the banks' limit for borrowing overnight under the marginal standing facility (MSF), allowing the banking system to avail additional **₹1.4 trillion** of liquidity at the reduced MSF rate
- Announced special refinance facilities to NABARD, SIDBI and the NHB for a total amount of **₹500 billion** at the policy repo rate
- Announced the opening of a special liquidity facility (SLF) of **₹500 billion** for mutual funds to alleviate intensified liquidity pressures.
- Moratorium of three months on payment of instalments and payment of Interest on Working Capital Facilities in respect of all Term Loans
- Easing of Working Capital Financing by reducing margins
- For loans by NBFCs to commercial real estate sector, additional time of one year has been given for extension of the date for commencement for commercial operations (DCCO)

For more information: [Link](#)

Promotion of State-level Reforms

Ministry Of External Affairs
Government Of India

- Part of the borrowing to be linked to specific reforms (including recommendations of Finance Commission) to:
 - Ensure sustainability of the additional debt through higher future GSDP growth and lower deficits
 - Promote welfare of migrants and reduce leakage in food distribution
 - Increase job creation through investment
 - Safeguard the interests of farmers while making the power sector sustainable
 - Promote urban development, health and sanitation
- Reform linkage will be in four areas: universalisation of 'One Nation One Ration card', Ease of Doing Business, Power distribution and Urban local body revenues

For more information: [Link](#)

- A specific scheme will be notified by Department of Expenditure on the following pattern:
 - Unconditional increase of 0.50%
 - 1% in 4 tranches of 0.25%, with each tranche linked to clearly specified, measurable and feasible reform actions
 - Further 0.50% if milestones are achieved in at least three out of four reform area

Stimulus Packages	(in Billion INR)
Package 1	5,945.5
Package 2	3,100
Package 3	1,500
Packages 4 and 5	481
Sub-total	11,026.5
Earlier Measures (incl PMGKP)	1,928
RBI Measures (actual)	8,016
Sub-total	9,944
Grand total	20,970.5

Support to State Governments

Ministry Of External Affairs
Government Of India

- Central government consistently extending support to states
 - Devolution of taxes (**₹460.4 billion**) in April was given fully as per Budget Estimates although actual revenue showed decline
 - Revenue Deficit Grants to states (**₹123.9 billion**) given on time in April and May, despite Centre's stressed resources
 - Advance release of SDRF (**₹110.9 billion**) funds in first week of April
 - Release of over **₹41.1 billion** from Health Ministry for direct anti-Covid activities
 - At Centre's request, RBI has increased Ways & Means Advance limits of States by 60%
 - Number of days state can be in continuous overdraft from 14 days to 21 days
 - Number of days state can be in overdraft in a quarter from 32 to 50 days
- States net borrowing ceiling for 2020-21 is **₹6.4 trillion**, based on 3% of Gross State Domestic Product (GSDP), 75% thereof was authorised to them in March 2020 itself and timing is left to the States
- States have so far borrowed only 14% of the limit authorised. 86% of the authorised borrowing remains unutilized.
- The Centre has increased borrowing limits of States from 3% to 5%, for 2020-21. This will give States extra resources of **₹4.28 trillion**
