- b. Urea is likely to be procured at various discharge ports in India. In order to meet discharge port-wise quantity requirements, RCF may place order on more than one bidder. For this purpose, RCF, at its sole discretion, may decide to counter offer discharge port-wise CFR rate **and/or** load port-wise FOB rates (in case corresponding CFR rates are not quoted), based on the lowest rates/offers received against the Tender and other relevant factors (if any).

21. SYSTEM FOR CALLING BIDDERS FOR MATCHING COUNTER OFFER PRICES:

In order to meet the demand, the required quantities may be imported from more than one supplier through various discharge ports in India. For contracting the required quantities, bidders shall be called for matching prices as per counter offers as under: -

- (a) The comparative statements (CST) indicating hierarchy of bidders shall be prepared on the following basis: -
 - (i) **CST (COAST WISE i.e. separately for ECI & WCI)**: - Coast wise i.e. East coast of India (ECI) and West coast of India (WCI) CST for various discharge ports on each coast showing hierarchy of various bidders.
 - (ii) **CST (CONSOL)**: - Consolidated CST for all discharge ports irrespective of East coast of India (ECI) or West coast of India (WCI) showing hierarchy of various bidders.
- (b) Based on discharge port-wise quantity requirements on each coast, counter-offers (based on coast wise L-1 prices or port-wise negotiated L-1 prices) shall be first given to bidders in order of their hierarchy as per the respective CST (COAST WISE). In case requirement of full quantity at a particular discharge port are not met, for sourcing the balance left over quantity counter offers will be then given to various other bidders in order of their hierarchy as per CST (CONSOL).
- (c) For discharge port for which no offer is received, counter offers will be decided by RCF and shall be given in order of hierarchy in CST (CONSOL).
- (d) In case full quantity required for such discharge ports are uncovered, the balance quantity shall be offered in hierarchy of CST (CONSOL).
- (e) In case the discharge port wise quantities are not available at the time of issue of counters, then the counters to bidders shall be issued coastwise or as per requirements of DOF.
- (f) **In case any bidder (Category -1 only) has quoted prices only on FOB basis, RCF shall add the estimated ocean freight to ECI and WCI as per the freight quotations obtained from the market for the respective load ports quoted by the bidders during evaluation of the bids and accordingly place the FOB bidders in all the comparative statements.**

The counter offer for FOB bidders shall be derived as mentioned below:

The estimated ocean freight from the respective offered load port to ECI will be deducted from the lowest CFR-ECI price (obtained in the tender / negotiated price) and similarly the estimated ocean freight from the respective offered load port to WCI will be deducted from the lowest CFR-WCI price (obtained in the tender / negotiated price) to derive the FOB prices from each load port to both ECI & WCI respectively.

The lowest among FOB prices so derived for ECI & WCI as per above from the respective quoted loadport;

OR

The lowest of the quoted FOB price among all the FOB offers irrespective of the loadport;

Whichever is lower amongst the above shall be considered for giving bidder wise/ load port wise FOB counter offer.

The BIDDER M/s. _____ is willing to participate in the said Tender and understands that this Integrity Pact has to be executed between the parties as a prequalification for the Bidder to participate in the bidding process.

Bidder understands that Signing of the Integrity pact does not in any way guarantee awarding of the contract to the bidder signing the Integrity pact.

Both RCF and Bidder understand that Integrity Pact is deemed to be a part of the Contract (to be executed later with the successful Bidder).

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence/prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to: -

1. Debarment is classified under following two types:

(i) In cases where debarment is proposed to be limited to only RCF, the appropriate Orders can be issued by RCF, thereby banning all its business dealing with the debarred firm.

(ii) Where it is proposed to extend the debarment beyond the jurisdiction of RCF i.e. covering to all central Ministries/ Departments, the requisite Orders shall be issued by Department of Expenditure (DoE), Ministry of Finance (MoF).

Definitions

2. Firm: The term 'firm' or 'bidder' has the same meaning for the purpose of these Guidelines, which includes an individual or person, a company, a cooperative society, a Hindu undivided family and an association or body of persons, whether incorporated or not, engaged in trade or business.

3. Allied firm: All concerns which come within the sphere of effective influence of the debarred firms shall be treated as allied firms. In determining this, the following factors may be taken into consideration:

- a. Whether the management is common;
- b. Majority interest in the management is held by the partners or directors of banned/ suspended firm;
- c. Substantial or majority shares are owned by the banned/ suspended firm and by virtue of this it has a controlling voice.
- d. Directly or indirectly controls, or is controlled by or is under common control with another bidder.
- e. All successor firms will also be considered as allied firms.

4. The terms "banning of firm", 'suspension', 'Black-Listing' etc. convey the same meaning as of "Debarment".

Debarment by RCF, limited to only RCF-

5. Orders for Debarment of a firm(s) shall be passed by RCF, keeping in view of the following:

- a. A bidder or any of its successors may be debarred from participating in any procurement process for a period not exceeding two years.
- b. Firms will be debarred if it is determined that the bidder has breached the code of integrity as per Rule 175 of GFRs 2017 given below-

No official of a procuring entity or a bidder shall act in contravention of the codes which includes

(i) prohibition of

- (a) making offer, solicitation or acceptance of bribe, reward or gift or any material benefit, either directly or indirectly, in exchange for an unfair advantage in the procurement process or to otherwise influence the procurement process.
- (b) any omission or misrepresentation that may mislead or attempt to mislead so that financial or

c. A bidder can also be debarred for any actions or omissions by the bidder other than violation of code of integrity, which in the opinion of RCF, warrants debarment, for the reasons like supply of sub-standard material, non-supply of material, abandonment of works, sub-standard quality of works, failure to abide "Bid Securing Declaration" etc.

d. Before issuing the debarment order against a firm, reasonable opportunity shall be given to the concerned firm to represent against such debarment (including personal hearing, if requested by firm).
